

North Star School District Credit Recovery Program—Summer 2026

The district will once again be offering credit recovery courses this summer to any student who failed a core class during the 2025-2026 school year. Course content will be taught using an online platform called PLATO.

IMPORTANT INFORMATION

Cost	The first course will cost \$150. A second course will cost an additional \$75.
Dates and Times	Wednesday, June 3rd —9:00AM-12:00PM Mandatory attendance for all students Thursdays, June 4th, 11th, 18th, and 25th Thursday meetings are optional, but students are expected to complete work each week. All classes must be completed by June 26th .
Location	North Star High School
Grading and Credit Recovery	Students who receive a 70% or better in their Credit Recovery course will have the final year grade changed to a 60% "D".
Attendance	Attendance for Thursday's are optional for students; however, they are strongly suggested since there is a teacher available to help them academically or to assist getting them back on track. No work will be accepted after June 26th.
